

You only live once.

Broadblue Voyager365

Expect all round excellence.

The new Voyager365 is an enhanced version of the highly regarded Voyager345, with a hull that has already proved its impeccable sailing credentials so the performances of the new Voyager365 will be quite extraordinary for a boat of this size.

One World. One Life. One Cat.

www.broadblue.co.uk

The Broadblue Voyager365 is a fantastic family cruising catamaran and is designed for fast coastal and inshore passages, with a full offshore capability should the need arise.

Key to the easy handling of the Broadblue Voyager365 is the innovative “sail station” which has proved to be so popular on the small sister the 345

The concept, bringing all of the working sheets and halyards to a single forward facing location alongside the helm station. This ensures that the Voyager365 can be easily handled by one person, including reefing of both the main and headsails.

The spacious accommodation includes three double cabins and a single berth option midships. The boat comes as standard with owners hull and large heads with a guest heads in the port hull.
